3. RESPONSE OF CREATION

FIND FOUR EXPECTED RESPONSES FROM THIS TEXT IN ROMANS 1:

"19 because what may be known of God is manifest in them, for God has shown it to them. 20 For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse, 21 because, although they knew God, they did not glorify Him as God, nor were thankful, but became futile in their thoughts [...] exchanged the truth of God for the lie, and worshiped and served the creature rather than the Creator, who is blessed forever. Amen." (Romans 1:19-21,25).

From these negative examples we thus learn the positive and expected response to God's Creation.

- (1) We must **B**_____ the truth about Creation and the Creator.
- (2) We must **G**_____ **T**_____ to our Creator.
- (3) We must **S**_____ the Creator who is blessed forever.
- (4) we must **G**_____ and **W**_____ God and not be idolaters.
